The InteriorFashion website is more than the publication of daily news. Rather, it is a supplement of our print title. We will continue articles from the magazine, compile online dossiers on individual topics and show interesting interior design projects. We also provide an overview of relevant industry events incl. seminars and webinars. For this reason <a href="www.interiorfashion.de">www.interiorfashion.de</a>, with over 8,000 visitors and 20,000 page impressions a well frequented site, is an ideal addition to your print activities. On the following pages you will find an overview of our offers.
